

## MANUFACTURER'S DECLARATION ON A DEVICE TO BE USED AS A PART OF A MACHINE

Product: The central machine for ventilation as such, without the capability to form a machine covered by national decisions.

Manufacturer: ETS NORD AS, Suomen sivuliike  
Pavintie 12, FIN 01260 VANTAA

Business ID: 2239911-2

ETS NORD AS, the Finnish branch, declares that the Recair air handling units manufactured by them comply with the requirements of the directives mentioned below, and further certifies that the following harmonized standards (or parts/sections thereof) have been applied.

Directives:

- Machine directive 2006/42/EC
- EMC directive 2014/30/EU
- Low voltage directive 2014/35/EU
- Ecodesign directive 2009/125/EY

Standards:

- EN 60204-1

Products may only be used as part of a machine or system that meets the requirements of the above directives.

Vantaa, Finland 31st October 2018

ETS NORD AS, Finnish branch
